

PRINCETON

ELEMENTARY

August 15, 2005

Dear McCree Construction: :

We would like to thank you for your support and involvement with Princeton Elementary during our 2004-2005 school year. Through our Partners in Education program we have found that linking businesses and community organizations with our school has enhanced student learning and promoted school improvement.

Partnerships are designed to be mutually beneficial, and we are proud to show on our marquee that we are working together to build a strong community

We sincerely appreciate your help and look forward to another year of working together to promote and achieve educational excellence.

Very truly yours,
