Re: SunTrust Bank at Altamonte Crossings

Dear Richard:

On behalf of SunTrust Bank, I want to express appreciation for your company's rapid and professional response to the structural problem that occurred several weeks ago at the banking office in Altamonte Springs. McCree is true to their word that they service their clients projects, even several years after you had completed the work. This is certainly a great characteristic to have in your company and one that has been displayed to us at SunTrust more than once. Thank you for a job well done.

Sincerely,

A handwritten signature in blue ink that reads "Tony Bower". The signature is fluid and cursive, with the first name "Tony" being more prominent than the last name "Bower".
